

Installing Office 365 from WLC email account

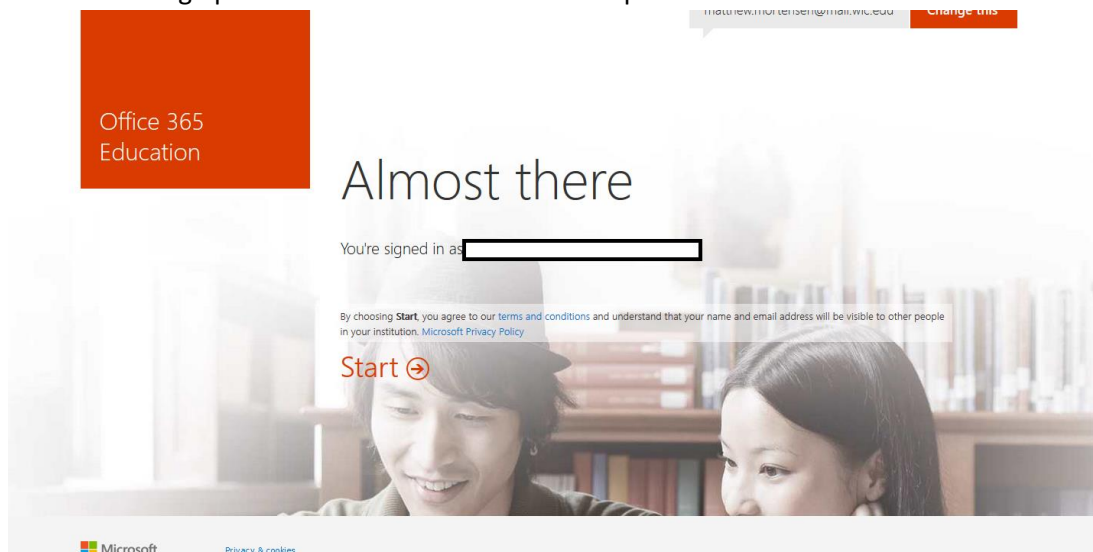

1. Log into your WLC email by going to outlook.com/wlc.edu.

2. Click on the alert regarding Office on the upper right-hand side of the page.

3. This will bring up a screen to Start the installation process.

4. Outlook will finish the setup.

Office 365
Education

One last thing...

⌚ Hang on. This can take up to a minute...

Microsoft

5. Outlook will then bring up an informational page, telling you what will be installed. This is also where the installation process begins.

Oh hey,
Matthew.

Install Office on your PC

Got a Mac? [Sign in to Office 365 on your Mac](#) to install.

Smartphone or tablet? [Get Office on your devices](#)

Collaborate with Office Online

- The download process will be different on different browsers. Shown are Firefox, Chrome, and Internet Explorer.

- If a security box opens asking if you want to give permission to run the program, click yes.
- Once you select yes, the Microsoft Office Installation page will open. The prompts are easy to follow and will help you install Microsoft Office on your device.
- You can install Office 3365 on up to 5 devices including mobile (iPads, tablets and smart phones).
