

5 Career Strategies for Students

Explore Your Interests & Get Involved

Consider how your hobbies and interests could turn into a career. Focus on campus life and community involvement. Expose yourself to diversity, leadership and volunteer opportunities.

Build Professional Skills

Take classes seriously. Build verbal and written communication skills. Develop basic computer skills. Communication and computer skills are essential to career success.

Research Internships

Make a list of companies that interest you. Do they have an internship program? What is the application process? Visit www.wlc.edu/careerconnect to start your internship search.

Create Your Resume

Draft a resume that includes your work and volunteer history, education and professional skills. After you draft a resume, meet with the WLC Career Development team to edit and fine-tune it.
