## ANNOUNCING THE 2017-2018 CAMPUS READ

Each summer WLC asks incoming students to read a common text. The book selected this year is ***The Boy Who Harnessed the Wind*** by William Kamkwamba and Bryan Mealer (William Morrow, 2010, ISBN-13: 978-0061730337). We ask that you read this text BEFORE arriving for WOW Weekend in August. The book will be infused into course assignments, discussions, and programming during the year.
