August 4, 2017

Greetings from Wisconsin Lutheran College and the Office of Student Life.

As the Dean of Students, I am privileged to welcome you and your family to campus for the fall semester. We are honored to serve you through a campus culture designed to help you grow as an individual and as a valued member of this community.

WLC is your place of *opportunity* with the expectation to grow in *responsibility*. You will need to choose carefully from a wide range of service, learning, and social opportunities that will help you grow into the child of God you want to be. Embrace these opportunities and get involved. Perhaps try something new. But remember that time is a finite gift from God that you will need to manage wisely for health and for success. It is important to balance your academics, athletics and extracurriculars with personal health and wellness. Your choices in these areas will determine, to a large degree, who you will become.

The Office of Student Life is here to assist you in this journey as a value-add to the great academics you will find at WLC. We embrace our opportunity to serve you. The Campus Ministry Office, the Office of Student Support, the Student Success Center, Health Services, Residence Life, and Student Programming are all here to enrich your experience and help you navigate college.

Your first chance at extracurriculars is the Organizational Smorgasbord (Org Smorg) during Warrior Orientation & Welcome (WOW) Weekend. You can meet representatives from the college's clubs and organizations, from Campus Ministry and Student Life, and from community organizations seeking volunteers. A complete schedule for WOW Weekend is enclosed with this letter. Remember to check out the WOW website (wlc.edu/wow) for more information and updates. If you have any questions, please don't hesitate to email us at orientation@wlc.edu or to call **414.443.8813**.

Finally, don't forget to order your textbooks online before you arrive on campus (log into myWLC and click "Course Schedule." Textbooks can be found by clicking on the link for each course.). We want you to get a strong start academically, and class preparation is key.

We look forward to seeing you on **Friday, August 25 for WOW Weekend** and our opening worship service. We have lots of information to share with you, and with your parents or guardians, then **you** will get to be a part of another great year!

God bless your day and your opportunity to receive a faith-filled college education!

Sincerely,

A handwritten signature in black ink, appearing to read "Nathan Strobel".

Rev. Nathan Strobel
Vice President of Student Life/Dean of Students
Wisconsin Lutheran College

P.S. If you haven't already done so, be sure to log-in to your **WLC email account**. It's our official method of communicating with students, and we don't want you to miss out on important information!
