

A sample program can be used to plan progress in a major. Not all students will follow the sample program, because students are individuals and can make choices to fit their situations. Students should consult their WLC academic advisor. Please note that course offerings may change due to staffing, curriculum changes, and course enrollments.

<b>BSN Class of 2020</b>	
<b>Freshman Year, Semester 1</b>	<b>Freshman Year, Semester 2</b>
COL 101	COL 201
