DIRECTIONS: Notify your EDU professor/college supervisor exactly when you will be teaching a lesson. Ask your cooperating teacher to complete one of these forms. You also need to complete one for a self-assessment. (If your "lesson" covers more than one day, these forms may be reflective of the "overall" experience.) Submit the two (2) evaluation forms to your EDU professor. (It is recommended that you copy this form and your response for your own files before you submit this to your EDU professor.)
