WISCONSIN LUTHERAN COLLEGE

2022-2023 Enrollment Confirmation and Commuter Application

Wisconsin Lutheran College offers housing for traditional undergraduate students through their fourth year after high school or through 22 years of age (as available). Fifth and sixth year students need special permission from the Director of Residence Life to live on campus. As a residential college, WLC **requires** students to live in college housing through their third year after high school unless they are living with their parents or an immediate family member (father, mother, stepparent, grandparent, brother, sister, 22 years of age or older). It is recommended that commuting distance be limited to a 50-mile radius of campus.

Students three years out of high school or less who wish to live off campus must submit this form for approval by the Vice President of Student Life. **Commuters must re-apply for commuter status annually.**

PLEASE NOTE: Financial concerns are NOT considered "exceptional circumstances" qualifying a person for commuter status.

Students who knowingly and intentionally violate the College's residency requirement will be fined \$2,500 for each semester lived in violation of the policy.

I will be commuting from home and am enclosing a \$200 enrollment confirmation deposit.
